

# An Alteration Sale on Second Floor

## Carpenters Are Now At Work

We are planning even a better ready-to-wear department for you. A department in which there will be better light—better fitting rooms—improved examination mirrors. The work is now under way—the carpenters are busy with the saw and hammer.

We plan also to give you this fall a ready-to-wear department filled entirely with fresh merchandise. When the fall opening time comes there will be here a world of wonderful merchandise that you have not seen before. So varied—so complete—so pleasing will be the garments that we are planning for you that it will be a positive pleasure to spend a few moments or a few hours on this handsome 2nd floor. All of which means that present stocks **MUST** be cleared away. This remade department must be entirely new—not a sign of this season's merchandise will be found. Hence these Alteration Sales that begin tomorrow and promise such remarkable values.

A GOOD PLACE TO TRADE

## Dresses \$7.50

There are more than seventy-five of these charming gingham and voile dresses that go into the Alteration Sales. There are light and dark colors. There are sizes from sixteen to fifty. ## Women's Silk Bloomers

## Women's Bloomers of Sateen

Have you priced sateen by the yard lately? If so this item will appeal to your sense of economy. These sateen bloomers are made of a very good quality of sateen—both black and white. They are properly fitted with good elastic in the knee and are especially priced at **\$1.25**

## Buy a Suit Now Save at Least Half

Frankly we tell you that the suits we offer in this Alteration Sale are the garments of this spring's arrival. We advise that you buy one now for fall and winter wear, for the styles are very good—much like the fall styles—and you may buy them at much less than half of what the same qualities will cost in the new fall stocks. Even if you paid us regular price, there would be a saving—but the regular prices have been liberally reduced. We give this advice knowing that fall garments will cost so much more. Some wonderfully good styles—some very great bargains.

## Women's Capes for Fall

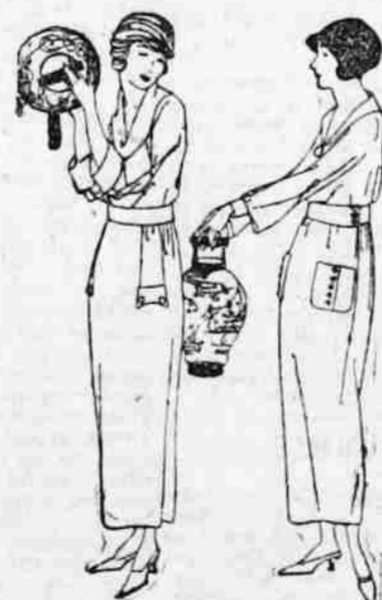

The good looking cape that had such a vogue this spring, is bound to be worn again this fall. And there is no garment quite so handy for early fall and winter wear.

We offer now all that remain of the spring stocks at prices that would not pay for the serges of which they are made. We have even sold some of them to women who wished to use the serge for other purposes. Some are full lined—all are of pure wool. The prices begin as low as **\$3.95**.

## New Blouses \$1.95

One of the most pleasing features of this Alteration Sale will be this sale of women's smart wash blouses at \$1.95. There are in the lot seven styles—all of them good. All of strictly washable voile. There are plain voiles—voiles in combinations of white and colors. There are all sizes—and all are bright new stock that has come to us within the week. Many women will buy them to finish the summer season—and will wear them all fall and winter. Usual \$2.50 values. Alteration price **\$1.95**.

## A Very Good Time to Buy a Skirt

Whether you want a dress skirt of silk or of cotton or of woolen fabric, now is a very good time to buy it. The Alteration Sale will see the end of all present stocks.

Skirts of pure silk and of all wool fabrics. Skirts of this season's best style—some of the box pleated effects—some in popular yoke styles. Some of the new straight lines. In the silks there are sizes up to 32 waist measure. Specially priced **\$3.95**

### Cotton Wash Skirts

You know the styles in these cotton wash skirts change so little in a season that many clever women will buy these now for another year. For we promise you the same garments will cost at least twice as much. Cotton Gabardines, Cotton Baronettes; all **\$2.95**

### Girls' Pajamas

## White Dresses on Sale \$2.50

Two dresses for the price of one in the Alteration Sale. These are winning little styles for the miss of 4 to 12 years. ### Dusters for Motoring

Women who take long motoring trips will find the duster the most useful of garments—not only do they shed the dust completely, but they launder nicely and are good looking.

Usual \$5.00 values are now **\$3.75**

## Corsets and Bandeaux

Bandeaus (as shown in the sketch) for large women. These comfortable bust confiners are made of a very strong yet airy mesh material. The fact that we have rather too many of the very large sizes is responsible for this price reduction—sizes 40 to 50—2 for **\$1**

## Corsets at Half

A number of Gossard's and a number of Redfern Corsets—some of your favorite numbers no doubt. They are numbers that we are discarding—otherwise as good as new stock. Very good styles and a various lot of sizes—if there's one you can use the price will be just half.
